

***Tech Trek Mobile Research Laboratory  
Application for Visit  
2002-2003 academic year***

The following items must accompany this application for consideration for a Tech Trek visit. Missing pages and unclear descriptions will delay your application processing.

1. this completed page;
2. a schedule of lessons for all days the bus will visit, total numbers of students participating, and classes involved; and
3. an outline of the lesson plans to be used on the bus

\*\* A complete set of lesson plans including objectives, materials needed, worksheets for your students, and integration of the scientific method into your plans will be needed prior to your visit.

Please mail or Fax your completed application to:
